Unified Application Gateway user manual

Getting started

You may get started by accessing https://appgateway.nottingham.edu.cn. Enter the University username and click "next".

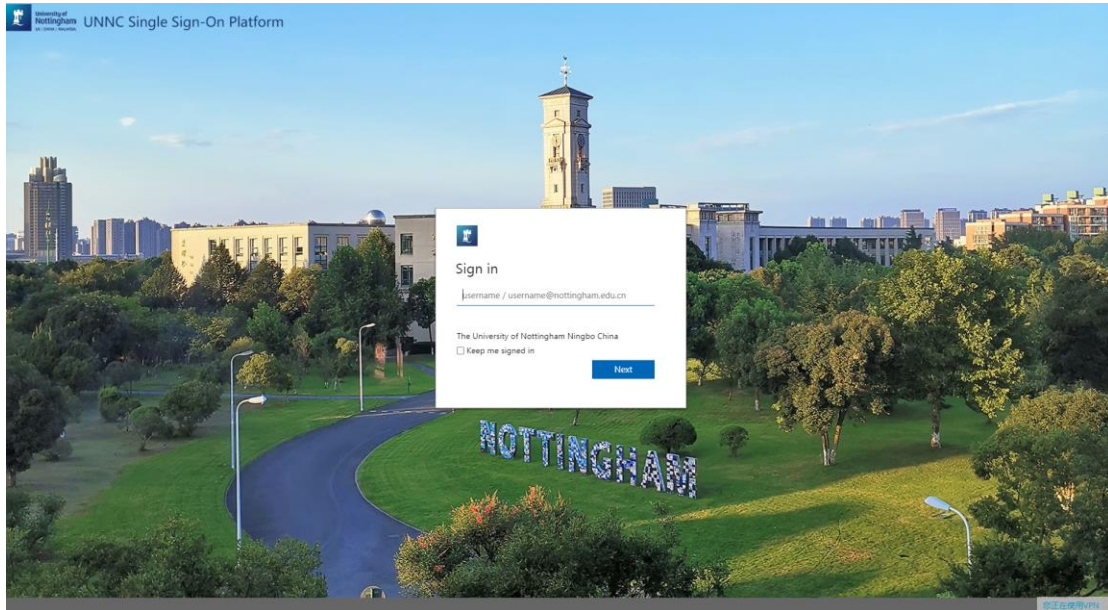

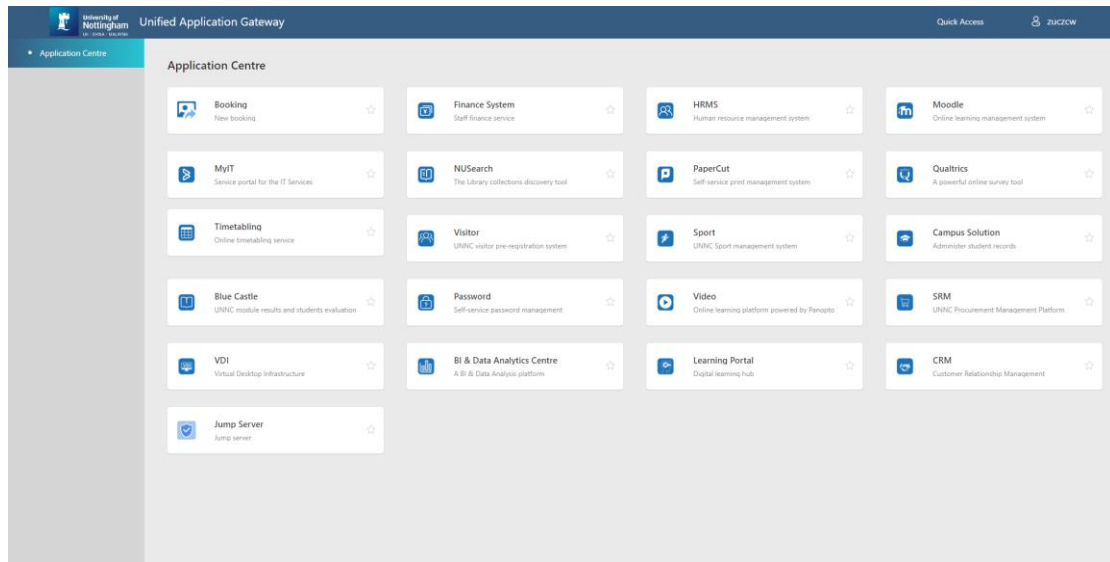

Enter your password and click "Sign in"
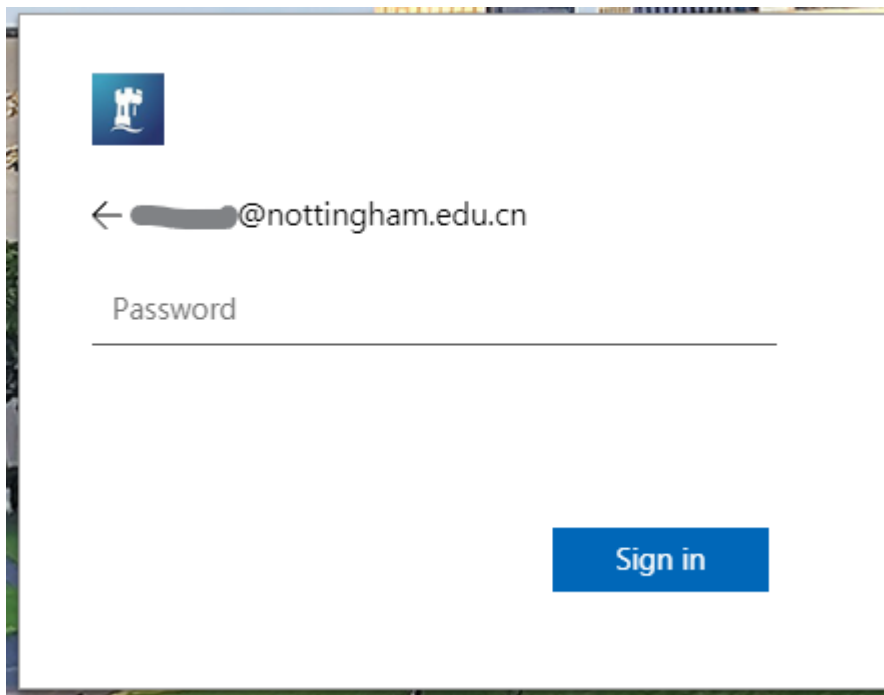

Resource access

After successful login, you will see the following interface.

Here, you can click the resource which you need to access.

Quick Access

There is another way to access UNNC internal websites. Click the "Quick Access" link (as shown in the red box below)

Enter the correct URL in the "quick access" box, click the "Go" button to open the

website.
